Overnight Detour Planned for Airport Road and Airport Center Drive

Jacksonville – As part of the Florida Department of Transportation's Airport Road and I-95 interchange improvements project, a detour of eastbound and westbound Airport Road and Airport Center Drive is scheduled for Saturday, January 26 from 10 p.m. to 6 a.m. for overhead sign work, weather and unforeseen circumstances permitting.
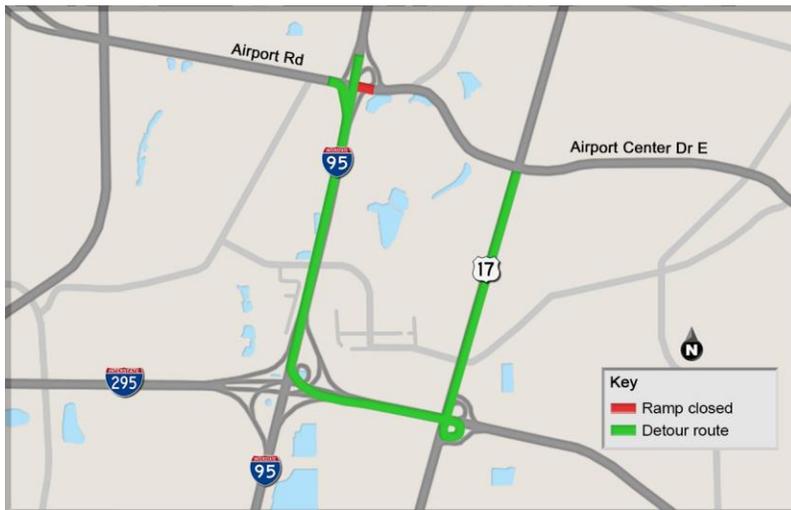

Airport Center West: Drivers heading west on Airport Center Drive who wish to continue to Airport Road will be detoured south on U.S. 17 (Main Street), where they will take a right onto Cole Road West, a right on Cole Road and another right onto Duval Road to continue to Airport Road. (See map below)

I-95 North to Airport Road West: Drivers heading north on I-95 who wish to take the Airport Road west exit will continue on I-95 north to the Pecan Park Road exit, turn left on Pecan Park Road and make another left on the I-95 south ramp to continue to the Airport Road exit. (See map below)

I-95 South and Airport Road East to Max Leggett Parkway: Drivers headed east on Airport Road will take the I-95 south ramp to join motorists already on I-95 south. Drivers will then take the flyover to the I-295 East Beltway to the U.S. 17 (Main Street) exit, where they can take a right on U.S. 17 to continue to Max Leggett Parkway. (See map below)

Watson Civil Construction Inc. is expected to complete the $11 million project in spring 2020, weather and unforeseen circumstances permitting.

For up-to-date information regarding construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
