FDOT to Host Open House for CR 217 (Yellow Water Road) Bridge Replacement

Baldwin, Fla. – The Florida Department of Transportation (FDOT) will host an open house to share information with the community about the upcoming bridge replacement project for County Road 217 (Yellow Water Road) at I-10.

The open house will be held Thursday, January 9 from 4:30 - 6:30 p.m. at Baldwin Community Center, 850 Center Street North, Baldwin, FL 32234.

Those interested can arrive anytime between 4:30 and 6:30 p.m. to view project displays, get information about construction activities, traffic impacts and speak with FDOT staff and project design consultants. No formal presentation will be made.

In addition to the bridge replacement, project improvements will also include milling and resurfacing, drainage improvements, new highway signage, new guardrails and MSE walls.

Continental Heavy Civil Corporation is contracted to complete the \$8 million construction project estimated to begin January 2020. The improvements are estimated for completion in winter 2021, weather and unforeseen circumstances permitting.
