### **Construction to Begin this Week on State Road 13 Landscaping Project**

**Jacksonville, Fla.** – Construction on a landscaping project along State Road 13/Hendricks Avenue between La Vaca Road and Dunsford Road is expected to begin Friday, June 12. The project consists of installation of new landscape material and planting of Muskogee crape myrtles in the medians along the roadway.

Lafleur Nurseries and Garden Center, LLC was selected to complete the \$600,000 project, which includes approximately four months of construction plus a two-year establishment period.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Posted speed limits will remain in place throughout the duration of construction. Project work is expected to take place during both daytime and overnight hours, Monday through Thursday, with periodic lane closures. No lane closures will be permitted on northbound or southbound Hendricks Avenue from 7:30 a.m. to 9 a.m. and 4 p.m. to 6:30 p.m.

The Florida Department of Transportation urges motorists to always follow the speed limit and stay within the limits of orange cones and barrels while traveling through construction zones. For up-to-date information regarding construction projects and lane closures, please visit [www.nflroads.com](http://www.nflroads.com) or contact FDOT personnel at (904) 831-FDOT.
