## Construction to Start Next Week on State Road 121 from the Union County line to I-10 Resurfacing Project

**MACCLENNY, Fla.** – Construction is beginning next week on the Florida Department of Transportation’s State Road 121 from the Union County line to I-10 resurfacing project.

In addition to milling and resurfacing, the project will include driveway improvements, widening near intersection approaches for safety, signage updates and drainage improvements.

Traffic will be maintained in accordance with FDOT design standards throughout the project. No lane closures from 6:30 to 8:30 a.m. No lane closures allowed longer than 1.5 miles. No lane closures within 600 feet of a traffic signal between the hours of 6:30 a.m. and 8:30 p.m.

Preferred Materials, Inc. was selected to complete these projects at a cost of \$7.49 million in early 2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com).

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
