### **Daytime Detour of Sanctuary Parkway Scheduled March 7**

**JACKSONVILLE BEACH, Fla.** – As part of the J. Turner Butler Boulevard (State Road 202) from the Intracoastal Waterway Bridge to Third Street (State Road A1A) resurfacing project, a detour of Sanctuary Parkway is scheduled Friday, March 7 from 10 a.m. to 4 p.m. The closure of Sanctuary Parkway from South Beach Parkway to the Butler Boulevard westbound on-ramp is necessary for paving work to be completed safely.

Drivers are advised to follow detour signs and use extra caution while driving in the area.

Preferred Materials, Inc. was awarded the contract to complete this \$6.5 million project, which includes milling and resurfacing the roadway as well as base work, shoulder treatment, lighting, highway signing and other incidental construction. Completion is expected in summer 2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](https://twitter.com/MyFDOT_NEFL) on X, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://nflroads.com). The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
