Daytime detours next week on Kings Road for concrete work

Jacksonville – As part of the Kings Road (S.R.15) resurfacing improvements from Cleveland Street to Martin Luther King Jr. Parkway (MLK), detours will be in place for motorists traveling north on Kings Road at Division Street to complete concrete paving starting Monday, October 23 at 8 a.m. until the concrete work is complete.

Motorists wanting to travel north on Kings Road at Division Street will instead detour to Division Street to MLK to travel back to Kings Road.

Hubbard Construction Company began the \$5.7 million improvements in late August. The project is scheduled for completion in late spring of 2018, weather and schedule permitting.

For more information regarding construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
