

****Traffic Advisory****

JACKSONVILLE, Fla. – The three inside lanes of southbound I-295 over the Buckman Bridge will be closed overnight beginning at 8 p.m. February 9. The lane closures are part of routine bridge maintenance and signage upgrades on the bridge.

Additionally, a metal plate will be placed on the bridge to support routine bridge inspections. The lane closures will be removed by 4:30 a.m. February 10, unforeseen circumstances permitting.

Drivers are encouraged to use caution in construction zones. Interested parties seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app prior to their journey.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
