## **FDOT to host construction open house January 23 in Baldwin**

**Jacksonville** – The Florida Department of Transportation (FDOT) is scheduled to host an informal construction open house for resurfacing improvements scheduled to begin early February on S.R. 200/U.S. 301 between I-10 and U.S. 90 (Beaver Street) in Baldwin.

The public meeting is scheduled Tuesday, January 23 at the Town Hall of Baldwin, located at 10 U.S. Highway 90 Baldwin, Florida 32234. This meeting will be an ‘Open House’ format where interested parties may drop by any time between 4 p.m. and 6 p.m. to learn more about the roadway resurfacing project on S.R. 200, and receive updates about the Baldwin Bypass project and interchange improvements at I-10 and U.S. 301. Department staff and project team members will be present to answer questions and discuss details. There will be no formal presentation.

Public participation is solicited without regard to race, color, religion, sex, age, national origin, disability or family status as FDOT complies with Title VI of the Civil Rights Act of 1964. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should call Bianca Speights at (904) 831-FDOT or e-mail [Bianca.speights@dot.state.fl.us](mailto:Bianca.speights@dot.state.fl.us) seven days prior to the meeting (Si prefieren recibir esta carta en español, por favor contacte Esther Murray a las (904) 360-5348 Referencia: FIN # 436177-1).

Duval Asphalt Products is responsible for completing the resurfacing improvements on State Road 200 from I-10 to U.S. 90.
