I-10 West Exit to Roosevelt Boulevard Detour Planned for Saturday *McDuff Avenue and Post Street Will Also See Closures*

JACKSONVILLE, Fla. – As part of FDOT’s I-10 from I-295 to I-95 widening project, the I-10 west exit to Roosevelt Boulevard (U.S. 17) will be detoured Saturday, Nov. 12 from 6 a.m. to 6 p.m. while crews perform bridge construction activities, weather and unforeseen circumstances permitting.

Drivers who wish to take the Roosevelt Boulevard (U.S. 17) exit will be detoured to the McDuff Avenue exit and left on McDuff to reconnect with U.S. 17.

To better facilitate the increased flow of traffic along McDuff Avenue resulting from the Roosevelt Boulevard detour, northbound McDuff Avenue will be closed at the U.S. 17 intersection, southbound McDuff Avenue will be closed at Lenox Avenue, the eastbound I-10 exit to McDuff Avenue will be closed, both directions of Old Roosevelt Boulevard will be closed at McDuff Avenue and both directions of Post Street will be closed at McDuff Avenue.

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.

The holidays are approaching. As traffic increases, let's remember to be courteous drivers. Obey all posted speed limits, never drive impaired or distracted, be patient (no road rage) and always buckle up!

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](#) on Twitter, at [MyFDOTNEFL](#) on Facebook or by visiting [nflroads.com](#).
