## I-10 and State Road 121 Operational Improvements to Start Next Week

**MACCLENNY, Fla.** – The Florida Department of Transportation's I-10 and State Road 121 Operational Improvements project is expected to start next week, weather and unforeseen circumstances permitting.

The project includes:

- Milling and resurfacing
- Adding exit lanes from I-10 to State Road 121
- Updating signals
- Upgrading signage and lighting
- Drainage improvements

Traffic will be maintained in accordance with FDOT design standards throughout the project. No lane closures or detours will be allowed between the hours of 6 a.m. and 9 p.m.

FDOT selected J.B. Coxwell Contracting to complete this \$8.82 million project in spring 2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](http://nflroads.com).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
