I-295 Resurfacing from the south end of the Dames Point Bridge to Monument Road to Start Next Week

JACKSONVILLE, Fla. – The Florida Department of Transportation’s I-295 resurfacing project from the south end of the Dames Point Bridge to Monument Road will begin next week.

In addition to milling and resurfacing, the project will include upgrades to signage and lighting.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Lane closure restrictions for I-295, SR 113/Southside Connector and frontage roads include no double lane closures or detours between 5 a.m. and 10 p.m. and no single lane closures Monday through Thursday from 6 a.m. to 9 p.m., Fridays from 6 a.m. to 10 p.m., Saturdays from 9 a.m. until 10 p.m. and Sundays from 9 a.m. to 8 p.m.

FDOT selected Hubbard Construction Company to complete this \$7.1 project in early 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
