### I-295 South Ramp to I-95 South to Temporarily Close Overnight

**Jacksonville, Fla.** – The Florida Department of Transportation will temporarily close the I-295 southbound ramp to I-95 southbound overnight Sunday, June 7 and Monday, June 8 from 10 p.m. to 5 a.m.

As shown in the map below, drivers traveling I-295 southbound attempting to exit onto I-95 southbound will be detoured to the Duval Road exit, right onto International Airport Boulevard and then right onto Airport Road, where they will be able to access I-95 southbound.

This work is part of the I-95/I-295 North Interchange Operational Improvement project that includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

FDOT selected Archer Western to complete this \$176.8 million project in fall 2021, weather and unforeseen circumstances permitting.
