## I-295 West Ramp to I-95 South Detoured Tuesday and Wednesday

**JACKSONVILLE, Fla.** – FDOT will detour traffic on the I-295 westbound ramp to I-95 southbound starting Tuesday May 2 at 12 a.m. through Wednesday May 3 at 11:59 p.m. This detour will allow crews to perform off ramp improvements on I-95 southbound as part of the I-295/I-95 North Interchange Operational Improvements Project.

As shown in the map below, drivers will be detoured to Duval Road and I-295 eastbound where they can access I-95 southbound.

This shift is one of several scheduled over the next few months as FDOT transitions into a new phase of construction on the critical interchange updates. The interchange upgrades are part of an important effort to promote economic growth and development in the region.
