I-295 and Normandy Operational Improvements and I-295 Resurfacing from Morse Avenue to U.S. 90 projects begin this week

JACKSONVILLE, Fla. – Construction has begun on the Florida Department of Transportation's I-295 at Normandy Boulevard Operational Improvements and I-295 from Morse Avenue to U.S. 90 Resurfacing projects.

The projects include ramp widening and operational improvements at the I-295/Normandy Boulevard interchange and resurfacing of I-295 from Morse Avenue to U.S. 90.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Lane closure restrictions include:

- No single lane closures on I-295 from 6 a.m. to 8 p.m. Monday through Thursday, and no double lane closures from 5 a.m. to 10 p.m. Monday through Thursday.
- No lane closures will be allowed 6 a.m. Friday through 8 p.m. Sunday.
- No lane closures will be allowed on I-295 ramps or on Normandy Boulevard from 6 a.m. to 8 p.m.

Hubbard Construction Company was selected to complete these projects at a cost of \$33.9 million in summer 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
