### I-95 North Detours Planned for Next Week at the I-10/I-95 Interchange

**JACKSONVILLE, Fla.** – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, there will be overnight detours of I-95 north Thursday, Feb. 2 and Friday, Feb. 3 from 10 p.m. to 5:30 a.m. for bridge construction activities, weather and unforeseen circumstances permitting.

Drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95 north. Drivers who wish to connect with I-10 will take I-95 south to connect with I-10.

FDOT hired Archer Western to complete this \$126 million project in spring 2023, weather and unforeseen circumstances permitting.
