I-95 South Ramp to I-295 West to Close Overnight Next Week

Jacksonville, Fla. – The Florida Department of Transportation will temporarily detour the I-95 southbound ramp to I-295 westbound from 10 p.m. to 5 a.m. Sunday, September 20 through Thursday, September 24.

Drivers who wish to exit onto I-295 westbound from I-95 southbound will be detoured onto I-295 eastbound onto U.S. 17 where they can access I-295 westbound.

This work is part of the I-95/I-295 North Interchange Operational Improvement project that includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

FDOT selected Archer Western to complete this \$176.8 million project in fall 2021, weather and unforeseen circumstances permitting.
