I-95 at State Road 206 Ramps Will Close Overnight for Asphalt Work

ST. AUGUSTINE, Fla. – The Florida Department of Transportation is scheduled to temporarily close the I-95 at State Road 206 entrance and exit ramps overnight Sunday, January 31 and Monday, February 1 from 7 p.m. to 7 a.m., weather and schedule permitting. This overnight closure will allow crews to resurface the asphalt pavement on the ramps and State Road 206 within the interchange limits.

I-95 Northbound Ramps at State Road 206:

As shown in the map below, drivers attempting to exit I-95 northbound at State Road 206 will be detoured north to the State Road 207 exit, then onto I-95 southbound, where they can access State Road 206.

Drivers attempting to enter I-95 northbound from State Road 206 will be detoured onto I-95 southbound to U.S. 1, where they can access I-95 northbound.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

KEVIN J. THIBAUT, P.E.
SECRETARY

As shown in the map below, drivers attempting to exit from I-95 southbound at State Road 206 will be detoured south to the U.S. 1 exit back onto I-95 northbound, where they can exit onto State Road 206.

Drivers attempting to enter I-95 southbound from State Road 206 will be detoured onto I-95 northbound to the State Road 207 exit, where they can access I-95 southbound.

I-95 Southbound at State Road 206 Detour

This work is part of FDOT's I-95 resurfacing project in St. Johns County, which consists of milling and resurfacing both directions of I-95 from the Flagler County line to just south of State Road 207, including the interstate entrance and exit ramps for State Road 206 and U.S. 1.

Hubbard Construction is expected to complete the \$22.6 million project in fall 2022, weather and schedule permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.
