## **I-95 Northbound Rolling Roadblock Planned**

---

**Jacksonville** – The Florida Department of Transportation is initiating a rolling roadblock on Interstate 95 northbound on Monday, November 27, and Tuesday, November 28 between 10 p.m. and 5 a.m., weather permitting, as part of the I-95 Overland Bridge Project.

Northbound traffic from north of Baymeadows Road to north of Emerson Street will be impacted. Traffic control officers will be on site at various points to ensure safety of the public.

The roadblock is necessary to install overhead sign panels. Be prepared to stop during this period.

FDOT strives for safe construction zones. Travelers should stay alert and follow the posted speed limit through the construction zone. Motorists are encouraged to watch for additional signs.

Up-to-date lane closure information is available on the project website at [www.i95overlandbridge.com](http://www.i95overlandbridge.com). A project hotline number and email have been established to assist the public with questions and concerns: 904-491-2110 or [info@overlandbridge95.com](mailto:info@overlandbridge95.com).
