I-95 northbound at JTB detours planned next week for overhead work

Jacksonville – As part of the I-95/JTB Interchange Improvement project, nighttime detours will be in place for I-95 northbound at J. Turner Butler Boulevard (JTB) Wednesday, June 7 through Friday, June 9 each night from 11 p.m. to 5 a.m., weather and schedule permitting.

The detour is necessary to perform overhead bridge work.

Motorists traveling I-95 northbound will be detoured to eastbound JTB to Belfort Road to westbound JTB to travel back to I-95 northbound.

Up-to-date lane closure information is available on the project website at www.nflroads.com/95andbutler. A project hotline number has been established to assist the public with questions and concerns: 904-491-2133.

For more information regarding other construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.

The Florida Department of Transportation strives for safe construction zones. Travelers need to be aware of heavy equipment and stay within the limits of the orange cones and barrels.
