ICYMI: FDOT to Host Public Meetings Nov. 28 and 30 for Proposed State Road A1A Trail Project

ST. JOHNS COUNTY, Fla. – The Florida Department of Transportation (FDOT) will host two public meetings to discuss the proposed State Road A1A Trail project from Magnolia Avenue to Twenty-Fourth Street in St. Johns County. This project is a shared-use pedestrian and bicycle trail separated from the roadway that will provide safe access through this area.

An in-person public meeting will be held Tuesday, Nov. 28 at the GTM Research Reserve, located at 505 Guana River Road, Ponte Vedra Beach, FL with an open house from 4:30 to 6:30 p.m., with a presentation and public comment period beginning at 6 p.m.

A virtual meeting will be held Thursday, Nov. 30 with an online open house from 5:30 to 6 p.m., followed by a presentation and public comment period at 6 p.m. To attend the virtual meeting, visit www.nflroads.com/VPH to register or join by phone in listen-only mode by calling (914) 614-3429 and entering access code 537-229-719.

The meetings serve to inform the public of the proposed improvements and provide an opportunity for the public to express opinions and concerns regarding the project.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting www.nflroads.com.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
