Lane Avenue Detour Planned for Friday Night

JACKSONVILLE, Fla. – As part of FDOT’s I-10 from I-295 to I-95 widening project, Lane Avenue at I-10 will be detoured Friday, April 8 from 10 p.m. until 5 a.m., weather and unforeseen circumstances permitting.

Lane Avenue North Detour: Drivers will be detoured to I-10 east and take the Cassat Avenue exit, left on Cassat Avenue and left on Beaver Street to reconnect with Lane Avenue.

Lane Avenue South Detour: Drivers will be detoured east on Highway Avenue, right on Cassat Avenue and right on Normandy Boulevard to reconnect with Lane Avenue.

I-10 to Lane Avenue Exit Ramps: Drivers who wish to exit I-10 at Lane Avenue will follow the detour signs in place and use either Beaver Street or Normandy Boulevard and Cassat Avenue to connect with Lane Avenue.

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.

April is Distracted Driving Awareness Month. Remember to keep your hands on the wheel, eyes on the road and your mind on driving. Help save a life; it could be your own!

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT_NEFL on Twitter or at MyFDOTNEFL on Facebook.
