### **Main Street Bridge to See Overnight Detours Wednesday, Thursday and Next Week**

**JACKSONVILLE, Fla.** – The Main Street Bridge will close nightly Wednesday, May 28, and Thursday, May 29 from 9 p.m. to 5 a.m. for routine maintenance.

Additional nightly closures will occur from Sunday, June 1 through Tuesday, June 3 from 9 p.m. to 5 a.m.

Drivers, bicyclists and pedestrians will be detoured to the Acosta Bridge; marine traffic will not be impacted by the closures.

The Florida Department of Transportation has a robust bridge maintenance program that protects taxpayer investments and ensures the structures receive preventative maintenance to extend the life of their investment.

The Main Street Bridge is a vertical lift bridge and is raised and lowered more than 1,400 times a year.
