Martha Drive Closure at State Road 20 Extended

Interlachen, Fla. – The temporary road closure in place on Martha Drive at State Road 20 to complete reconstruction work as part of the State Road 20 widening project from County Road 315 to SW 56th Avenue has been extended through early October, weather and unforeseen circumstances permitting.

Motorists traveling on State Road 20 wishing to access Martha Drive will detour to Ladys Slipper Lake Road, travel west on Cedar Street to Dove Street and west on Cologne Street to return to Martha Drive/Martha Avenue (map below). Residents on Martha Drive/Martha Avenue will also use Ladys Slipper Lake Road to access State Road 20.

Periodic traffic/lane shifts will be necessary on State Road 20 to allow the contractor to safely complete work. Lane closures will be allowed Monday through Friday after 8:30 a.m.

This is the second of three segments planned for the widening of State Road 20 from Alachua County to Putnam County spanning a total of 12 miles.

This segment includes widening State Road 20 from County Road 315 to SW 56th Avenue from a two-lane roadway to a four-lane urban roadway with curbs, gutters, medians, bike lanes, 5-foot sidewalk on the north side and a 10-foot multi-use path on the south side of the roadway.

P & S Paving Inc. was selected to complete the \$23 million roadway construction by summer 2021, weather and unforeseen circumstances permitting.
