Mayport Flyover at Atlantic Boulevard to Close Nightly Feb. 11-25 for Resurfacing Work

JACKSONVILLE, Fla. – As part of FDOT's Atlantic Boulevard (State Road 10) resurfacing project, which extends from the Kernan Boulevard overpass to Mayport Road, the Mayport Road flyover at Atlantic Boulevard will close nightly Tuesday, Feb. 11 through Tuesday, Feb. 25 for resurfacing work on the ramp.

These closures will begin nightly at 8:30 p.m. and last until 5:30 a.m. the following day, Sunday through Thursday.

As a detour, drivers will take the exit onto Florida Boulevard and continue onto Mayport Road.

Preferred Materials Inc. is estimated to complete this \$14.9 million project in summer 2025, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
