## **Minor improvements to Bridge of Lions on State Road A1A to begin May 16**

**Jacksonville** – The Florida Department of Transportation is scheduled to begin a bridge rehabilitation project on the Bridge of Lions (State Road A1A) in St. Augustine. The rehabilitation project includes cosmetic improvements, cleaning, painting and electrical work starting Wednesday, May 16, pending weather and unforeseen circumstances.

Astron General Contracting Co. Inc, was selected to complete the \$ 1.4 improvements by early 2019, weather and schedule permitting.

The Bridge of Lions replacement project was completed in 2011. This project is necessary to promote the health of the structure. FDOT remains committed to being good stewards of taxpayer dollars and ensuring investments in infrastructure maximize the lifespan of existing structures.
