Multiple Detours Planned for Next Week at the I-10/I-95 Interchange Improvements Project

JACKSONVILLE, Fla. – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, there will be multiple overnight detours around the I-10/I-95 interchange next week, weather and unforeseen circumstances permitting.

I-95 North Detour: Monday, Oct. 17 and Tuesday, Oct. 18 from 10:30 p.m. to 5:30 a.m., drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95 north. Drivers who wish to connect with I-10 will take I-95 south to connect with I-10.

I-95 South Detour: Friday, Oct. 21 and Saturday, Oct. 22 from 10:30 p.m. to 5:30 a.m., drivers on I-95 south will be detoured to the Forest Street exit, left on Forest Street and right on Park Street to rejoin I-95 southbound.

I-10 East Detour: Friday, Oct. 21 and Saturday, Oct. 22 from 10:30 p.m. to 5:30 a.m., drivers on I-10 east who wish to access I-95 south will be detoured north to the Union Street exit, right on Jefferson Street to connect with the Acosta Bridge and rejoin I-95 southbound.

FDOT hired Archer Western to complete this \$126 million project in summer 2022, weather and unforeseen circumstances permitting.

October is National Pedestrian Safety Month, and all roadway users share the responsibility for keeping everyone safe. Pedestrians should always use designated crosswalks and avoid distractions like using cell phones while walking. Motorists must yield to pedestrians in crosswalks and watch for pedestrians at all times. Together, we can reach the goal of ZERO pedestrian fatalities on Florida's roads.

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT_NEFL on Twitter, at MyFDOTNEFL on Facebook or by visiting nflroads.com.
