Multiple Detours Planned for Next Week at the I-10/I-95 Interchange Improvements Project

JACKSONVILLE, Fla. – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, there will be multiple overnight detours around the I-10/I-95 Interchange next week, weather and unforeseen circumstances permitting.

I-95 South Detour: Monday, August 29 through Thursday, September 1 from 10:30p.m. to 5:30 a.m., drivers on I-95 south will be detoured to the Forest Street exit, left on Forest Street and left on Riverside Avenue and take the Acosta Bridge to rejoin I-95 southbound.

I-95 North to I-10 West Flyover: Monday, August 29 through Thursday, September 1 from 10:30p.m. to 5:30 a.m., drivers on I-95 north who wish to take I-10 west will be detoured to the Park Street exit. At the bottom of the ramp, drivers will turn right on Park Street, left on Forest Street, left on Edison Avenue, left on Stockton Street and left on Irene Street to access the I-10 west ramp.

FDOT hired Archer Western to complete this \$126 million project in fall 2022, weather and unforeseen circumstances permitting.

August means back to school! Kids walk, bike, and wait for the school bus in the early morning hours. Motorists should always obey school speed zone limits and never drive distracted. Help keep our kids safe! Learn more about Florida's statewide initiative to reduce transportation-related crashes by visiting TargetZeroFL.com.

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.
