Multiple Detours Planned for Next Week at the I-10/I-95 Interchange Improvements Project

JACKSONVILLE, Fla. – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, there will be multiple overnight detours around the I-10/I-95 Interchange next week, weather and unforeseen circumstances permitting.

I-95 South Detour: Monday, Sept. 19 through Thursday, Sept. 22 from 10:30 p.m. to 5:30 a.m. and Friday, Sept. 23 from 10:30 p.m. to 6:30 a.m., drivers on I-95 south will be detoured to the Forest Street exit, left on Forest Street and left on Riverside Avenue to the Acosta Bridge to rejoin I-95 southbound.

I-95 North to I-10 West Flyover: Monday, Sept. 19 through Thursday, Sept. 22 from 10:30 p.m. to 5:30 a.m. and Friday, Sept. 23 from 10:30 p.m. to 6:30 a.m., drivers on I-95 north who wish to take I-10 west will be detoured to the Park Street exit. At the bottom of the ramp, drivers will turn right on Park Street, left on Forest Street, left on Edison Avenue, left on Stockton Street and left on Irene Street to access the I-10 west ramp.

FDOT hired Archer Western to complete this \$126 million project in fall 2022, weather and unforeseen circumstances permitting.

A crash can occur at any moment. Whether you are traveling one mile or one thousand miles, the driver of a motor vehicle and all passengers should always wear a seatbelt. Children ages 0 through 3 must be in child restraint. Kids ages 4 through 5 must be in a separate carrier, integrated child seat or booster seat. Let's get everyone home safe. #TargetZeroFL
