### Multiple Overnight Detours Planned for I-95/I-295 North Interchange Project

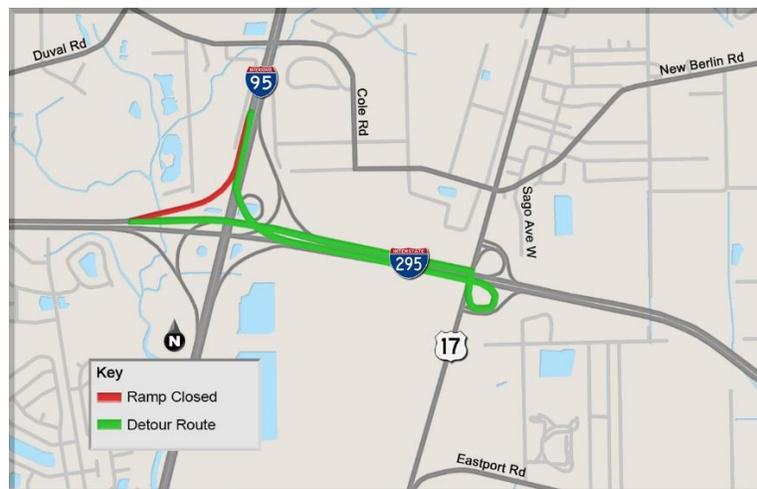

**Jacksonville, Fla.** – The Florida Department of Transportation will implement multiple overnight detours on I-95, I-295 and U.S. 17 ramps over the next week, weather and schedule permitting, as part of the I-95/I-295 North Interchange Operational Improvement project.

#### Thursday, August 20:

##### I-95 Southbound to I-295 Westbound:

The I-95 southbound exit ramp to I-295 westbound is expected to be closed Thursday, August 20 from 10 p.m. to 5 a.m.

Drivers on I-95 southbound attempting to exit onto I-295 westbound will be detoured to I-295 eastbound to U.S. 17, where they can access I-295 westbound.

#### Sunday, August 23:

##### U.S. 17/Main Street Northbound to I-295 Westbound:

The U.S. 17 northbound ramp to I-295 westbound is expected to be closed Sunday, August 23 from 10 p.m. to 5 a.m.

Drivers on U.S. 17 attempting to enter onto I-295 westbound will be detoured to I-295 eastbound to Pulaski Road, where they can access I-295 westbound.

This work is part of the I-95/I-295 North Interchange Operational Improvement project that includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

FDOT selected Archer Western to complete this \$176.8 million project in fall 2021, weather and unforeseen circumstances permitting.
