Multiple Overnight and Daytime Lane and Ramp Closures Planned for Southside Connector Monday through Friday

JACKSONVILLE, Fla. – Lanes and ramps on the Southside Connector (State Road 113) from I-295 to Atlantic Boulevard/Arlington Expressway (State Road 115), including the Merrill Road (State Road 116) and Regency Square Boulevard North interchanges, will be closed at various times during the day and night Monday, April 18 through Friday, April 22. The closures, weather and unforeseen circumstances permitting, are needed to facilitate paving activities related to the Southside Connector resurfacing project.

Signage and digital message boards will direct motorists through the closures and detours.

National Work Zone Safety Week is April 11-15. Whenever driving through a work zone, motorists are encouraged to obey the speed limit, be aware of changes to the traffic pattern and never drive distracted.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT_NEFL on Twitter or at MyFDOTNEFL on Facebook.
