Multiple Overnight and Daytime Lane and Ramp Closures Planned for Southside Connector Sunday through Friday

JACKSONVILLE, Fla. – Lanes and ramps on the Southside Connector (State Road 113) from I-295 to Atlantic Boulevard/Arlington Expressway (State Road 115), including the Merrill Road (State Road 116) and Regency Square Boulevard North interchanges, will be closed at various times during the day and night Sunday, June 5 through Friday, June 10. The closures, weather and unforeseen circumstances permitting, are needed to facilitate paving activities related to the Southside Connector resurfacing project.

Signage and digital message boards will direct motorists through the closures and detours.

The “100 deadliest days” for teen drivers is between Memorial Day and Labor Day. During this time fatal crashes involving teenagers increases dramatically. Teenagers have a higher rate of fatal crashes, due to a lack of skills and experience. Remind your teenagers to limit passengers, obey posted speed limits, eliminate distractions, never drive impaired and always buckle up!

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT_NEFL on Twitter or at MyFDOTNEFL on Facebook.
