### **New Drayton Island Ferry Landings Opening to Traffic Today**

**GEORGETOWN, Fla.** – As part of the Florida Department of Transportation's (FDOT) Drayton Island Ferry replacement project, the newly constructed ferry landings will open to traffic today, weather and schedule permitting.

Demolition of the existing timber ferry landings will begin and continue through the remainder of the project.

Brothers Construction, Inc. is estimated to complete the entire \$4 million reconstruction project by late 2022. Construction completion estimates are fluid and subject to change, weather and schedule permitting.

August means back to school! Kids walk, bike, and wait for the school bus in the early morning hours. Motorists should always obey school speed zone limits and never drive distracted. Help keep our kids safe! Learn more about Florida's statewide initiative to reduce transportation-related crashes by visiting [TargetZeroFL.com](https://www.TargetZeroFL.com)

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
