Nighttime Detour on I-10 Westbound at Chaffee Road Scheduled Friday

Jacksonville, Fla. – A detour will be in place on I-10 westbound at Chaffee Road Friday, March 22 from 9 p.m. to 5 a.m., weather and unforeseen circumstances permitting.

The detour is necessary to shift traffic into a new pattern on I-10 westbound west of Yellow Water Road and U.S. 301 and complete reconstruction of I-10 westbound travel lanes at U.S. 301.

Motorists traveling I-10 westbound will detour to Chaffee Road, travel west on Beaver Street/U.S. 90 and south on U.S. 301 to travel back westbound on I-10.

Superior Construction Company began the \$65 million I-10 and U.S. 301 interchange improvement project in late February and is estimated to complete the work in spring 2020.
