Nighttime detours this week on Beaver Street for paving

Jacksonville – As part of the Beaver Street (U.S. 90) at McDuff Avenue roadway improvement project, east and westbound traffic on Beaver Street between McDuff Avenue and Stockton Street will be detoured Sunday, July 23 through Thursday, July 27 each night from 8 p.m. to 6:30 a.m. for asphalt paving operations, weather and schedule permitting.

Motorists traveling westbound on Beaver Street will detour north on Baker Street, west on Commonwealth Avenue to south on McDuff Avenue to travel back westbound on Beaver Street.

Motorists traveling eastbound on Beaver Street will detour south on McDuff Avenue to Fitzgerald Street/McCoy Creek Boulevard and north on Stockton Street to travel back east on Beaver Street (U.S. 90).

Concurrent detours will not be permitted during this time.

J.B. Coxwell Contracting began the \$9.7 million reconstruction improvements in August of 2015. The project is scheduled for completion this summer, weather and schedule permitting.

For more information regarding construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
