## North and Southbound S.R. 207 Detours Planned for Drainage Work

**St. Johns County** – As part of the Florida Department of Transportation’s (FDOT) drainage improvements on State Road 207 and State Road 206, detours will be in place to safely complete drainage work on State Road 207 at State Road 206 starting Monday, November 26 at 10 a.m. through Thursday, December 6, weather and unforeseen circumstances permitting.

Safety preparations and work will begin on the southbound side of State Road 207 where traffic will detour to County Road 305 and west on State Road 206 to travel back southbound on State Road 207 from Monday, November 26 at 10 a.m. through Friday, November 30.

Northbound traffic on State Road 207 will detour east on State Road 206 to County Road 305 to travel back north on State Road 207 Friday, November 30 through Thursday, December 6.

Maer Construction was selected to complete the \$292,000 drainage improvements in 90 contract days.

For more information regarding construction projects, please visit [www.nflroads.com](http://www.nflroads.com) or contact FDOT personnel at 904-831-FDOT.
