## Northbound Kings Road closure for concrete work starting Wednesday

**Jacksonville** – As part of the Kings Road (S.R.15) resurfacing improvements from Cleveland Street to Martin Luther King Jr. Parkway (MLK), a detour will be in place for motorists traveling north on Kings Road at Darrow Street (CSX bridge) to complete concrete work starting Wednesday, July 18 at 8 p.m. through Thursday, July 26 at 9 a.m., unforeseen circumstances and weather permitting.

Motorists wanting to travel north on Kings Road at Division Street will detour to Division Street to MLK to travel back to Kings Road. Motorists may also utilize Darrow Street to Vernon Street as an alternative route to travel back to Division Street and MLK.

Hubbard Construction Company began the \$5.7 million improvements in late August 2017. The project is scheduled for completion in late summer of 2018, weather and schedule permitting.
