Overnight Closures Planned for I-95 Ramp to I-295

Jacksonville, Fla. – The Florida Department of Transportation will temporarily detour the I-95 northbound ramp to I-295 westbound next week as part of the I-95/I-295 North Interchange Operational Improvement project.

The I-95 northbound exit ramp to I-295 westbound is expected to be closed nightly from 10 p.m. to 5 a.m. Sunday, August 16 through Thursday, August 20.

Drivers on I-95 northbound attempting to exit onto I-295 westbound will be detoured onto I-295 eastbound to U.S. 17, where they can access I-295 westbound.

This work is part of the I-95/I-295 North Interchange Operational Improvement project that includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

FDOT selected Archer Western to complete this \$176.8 million project in fall 2021, weather and unforeseen circumstances permitting.
