Overnight Closures of University Boulevard at Richard Street Planned Jan. 26-30

JACKSONVILLE, Fla. – As part of a project to resurface University Boulevard (State Road 109) from I-95 to San Jose Boulevard (State Road 13), overnight closures of University Boulevard at Richard Street are planned Sunday, Jan. 26 through Thursday, Jan. 30, weather and unforeseen circumstances permitting.

The road will close nightly from 9 p.m. to 6 a.m. to allow for installation of a JEA water main. During the closures, traffic will detour via Philips Highway (U.S. 1), Bowden Road and Cagle Road. Drivers should follow posted detour signage and use additional caution in the area.

Preferred Materials, Inc. was awarded the contract to complete this \$9.1 million project, which includes milling and resurfacing the roadway as well as curb and gutters, sidewalks, signing and pavement markings, signalization, lighting and other incidental construction. Completion is expected in summer 2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on X, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com. Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
