### **Overnight Detour Planned Next Week at I-95 South Entrance from State Road 16**

*Traffic shift to new I-95 South entrance ramp to occur*

**ST. AUGUSTINE, Fla.** – As part of intersection improvements on State Road 16 at I-95, an overnight detour of the I-95 South entrance ramp from State Road 16 is necessary for a traffic shift to be completed safely. The I-95 South entrance ramp will close overnight Sunday, Nov. 24 from 8 p.m. to 6 a.m. the following morning.

During this time, drivers on State Road 16 will follow posted detour signs to use I-95 North to International Golf Parkway to access I-95 South.

Drivers will have access to the newly constructed I-95 South entrance ramp next week, shifted farther east.

Drivers are encouraged to use caution in the area and follow posted detour signs at these times. Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by mid-2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](https://twitter.com/MyFDOT_NEFL) on X, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
