Overnight Detour Planned Next Week at I-95 South Ramp to State Road 16

ST. AUGUSTINE, Fla. – As part of resurfacing improvements on I-95 from State Road 207 to International Golf Parkway, a closure of the State Road 16 exit ramp from I-95 South is necessary for drainage and curbside work. The ramp will close nightly at 8 p.m. Monday, Feb. 5 and reopen by 6 a.m. the following morning.

During the closure, motorists on I-95 South will be detoured to State Road 207 to I-95 North for access to State Road 16. Drivers are encouraged to use caution in the area and follow posted detour signs during this time.

Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by late 2024, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter or at [MyFDOTNEFL](https://facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
