Overnight Detour of I-95 Planned Sunday for I-95/I-295 North Interchange Project

Jacksonville, Fla. – The Florida Department of Transportation will temporarily detour traffic on I-95 northbound between Dunn Avenue and Airport Road Sunday, May 3 from 9 p.m. to 5 a.m. to allow crews to place bridge deck concrete as part of the I-95/I-295 North Interchange Improvement Project.

As shown in the map below, drivers attempting to travel northbound on I-95 between Dunn Avenue and Airport Road will be detoured to I-295 Eastbound, Drivers can then turn around at U.S. 17 and take I-295 Westbound back to I-95.

I-95 Northbound Detour:

This work is part of the I-95/I-295 North Interchange Operational Improvement project that includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

FDOT selected Archer Western to complete this \$176.8 million project in fall 2021, weather and unforeseen circumstances permitting.
