Overnight Detours Planned Next Week at I-295 South Ramp to Beach Boulevard

JACKSONVILLE, Fla. – As part of resurfacing improvements on I-295 from Beach Boulevard to St. Johns Bluff Road, a closure of the Beach Boulevard exit ramp from I-295 South is necessary for milling and paving work to be completed. The ramp is scheduled to close nightly Monday, June 26 through Wednesday, June 28 at 9 p.m. and reopen by 6 a.m. the following morning.

During the overnight closures, motorists will be detoured to exit at Town Center Parkway and use St. Johns Bluff Road to access Beach Boulevard.

Preferred Materials, Inc. is expected to complete the \$10 million resurfacing improvement project by summer 2024, weather and unforeseen circumstances permitting. The improvements will include shoulder treatment, guardrail and drainage upgrades, new highway signage, lighting, and Intelligent Transportation Systems (ITS) construction.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
