Overnight Detours Planned Next Week at I-95 South Entrance Ramp from State Road 16

State Road 16 Eastbound Traffic Shift Scheduled Tuesday

ST. AUGUSTINE, Fla. – As part of intersection improvements on State Road 16 at I-95, overnight detours of the I-95 South entrance ramp from State Road 16 are necessary for barrier wall work to be completed safely. The I-95 South entrance ramp from State Road 16 will close overnight Sunday, March 9 and Monday, March 10 from 8 p.m. to 6 a.m. the following mornings.

During these times, drivers on State Road 16 will follow posted detour signs to use I-95 North to International Golf Parkway to access I-95 South.

A traffic shift on eastbound State Road 16 beginning shortly after Toms Road is scheduled Tuesday, March 11. Eastbound drivers will experience the newly constructed travel lanes approaching I-95 at this time.

Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by late 2025, weather and unforeseen circumstances permitting.
