Overnight Detours Planned Next Week at State Road 16 to I-95 North Ramp

ST. AUGUSTINE, Fla. – As part of resurfacing improvements on I-95 from State Road 207 to International Golf Parkway, a closure of the State Road 16 on-ramp to I-95 north is necessary for drainage work to be completed. The ramp will close nightly at 8 p.m. and reopen by 6 a.m. the following morning starting Tuesday night, May 30 through Thursday night, June 1.

During the closure, motorists will be detoured to I-95 south to State Road 207 to access I-95 north.

Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by summer 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
