Overnight Detours Planned for the I-10/I-95 Interchange Improvements Project

Jacksonville, Fla. – As part of FDOT’s I-10/I-95 Operational Improvements project, overnight detours of the I-10 east to I-95 south outer ramp are scheduled for Monday, August 3 through Wednesday, August 5 from 10 p.m.to 6 a.m. for bridge construction activities, weather and unforeseen circumstances permitting.

Detour: I-10 east drivers who wish to take the outer ramp to I-95 south will be detoured north on I-95 to the Forest Street exit, right onto Forest Street, left onto Riverside Avenue and right at the Acosta Bridge to connect to I-95 south. (See map below)

FDOT hired Archer Western to complete this \$126 million project in spring 2021, weather and unforeseen circumstances permitting.

For more information about this project, please visit Your10and95.com.
