Overnight Closures on I-10 between State Road 23 and U.S. 301 Scheduled Tonight through Thursday

JACKSONVILLE, Fla. – Overnight closures of the I-10 eastbound and westbound lanes from U.S. 301 to State Road 23 (First Coast Expressway) are scheduled March 22 to March 25 for work related to the Yellow Water Road Bridge replacement project.

Monday, March 22, Tuesday, March 23 and Wednesday, March 24: I-10 westbound lanes from State Road 23 to U.S. 301 will close at 9 p.m. and reopen by 5 a.m. the next morning.

Thursday, March 25: I-10 eastbound lanes from U.S. 301 to State Road 23 will close at 9 p.m. and reopen by 5 a.m. Friday.

Both detours will utilize Beaver Street (U.S. 90) via the State Road 23/First Coast Expressway ramp (westbound) and via the U.S. 301 (eastbound) ramp back to I-10 (shown in map below).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
