Permanent Median Modifications Planned for Next Week on Southside Boulevard

JACKSONVILLE, Fla. – As part of the Southside Boulevard at Gate Parkway Intersection Improvements project, FDOT will be permanently closing the left turn from Perimeter Park Boulevard to northbound Southside Boulevard. This modification is part of the safety improvements and will go into effect during the overnight hours of Sunday, Jan. 8, weather and unforeseen circumstances permitting.

Perimeter Park Boulevard drivers who wish to go north on Southside Boulevard will turn right on Southside Boulevard, take the on-ramp for eastbound J. Turner Butler Boulevard and exit at the northbound Southside Boulevard off-ramp.

FDOT selected Watson Civil Inc. to complete this \$7.4 million project in early 2023, weather and unforeseen circumstances permitting.

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com.
