Main Street Bridge on-ramp from the Southbank closed for asphalt paving

Jacksonville – The Main Street Bridge northbound on-ramp will be closed January 14 from 7:30 p.m. to 5:30 a.m. for asphalt paving.

Motorists who wish to access the Main Street Bridge from Riverplace Boulevard, Museum Circle, Mary Street and Prudential Drive will be detoured to the Acosta Bridge on-ramp at Mary Street. Message boards and detour signs will be in place along the route. The Main Street Bridge will be open to regular northbound traffic traveling from I-95 and southbound traffic traveling from downtown.

The Florida Department of Transportation awarded the \$3.8 million pavement rehabilitation contract to Preferred Materials Inc. This project includes the resurfacing of Prudential Drive and Kings Avenue, and is expected to be complete in spring 2019, weather and unforeseen circumstances permitting.

For up-to-date information regarding construction project, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
