## **FDOT to Host University Boulevard Construction Open House**

**Duval** – The Florida Department of Transportation will host a construction open house to preview upcoming intersection improvements along University Boulevard from Bartram Drive East to Cesery Boulevard.

The open house will take place Thursday, November 8 at St. Paul's Episcopal Church, 5616 Atlantic Boulevard, Jacksonville, Florida, from 4:30 p.m. to 6:30 p.m.

The project includes removing and replacing the top layers of asphalt on the roadway, traffic signal upgrades, roadway lighting, drainage improvements, sidewalk repairs, new highway signage, the realignment of Lawrence Place and water service upgrades. In addition to these improvements, FDOT is also constructing an additional right turn lane on northbound University Boulevard to eastbound Atlantic Boulevard and an additional left turn lane westbound Atlantic Boulevard to southbound University Boulevard.

Florida Safety Contractors, Inc. will complete this \$2.8 million improvement project in summer 2019, weather and unforeseen circumstances permitting.

Public participation is sought without regard to race, color, religion, sex, age, national origin, disability or family status. For more information, contact FDOT toll-free at 800-749-2967.
