REVISED SCHEDULE: Multiple Detours Planned for I-95/Edgewood Avenue Interchange

Jacksonville, Fla. – As part of the Florida Department of Transportation’s Edgewood Avenue resurfacing project, there will be multiple detours at the I-95/Edgewood Avenue interchange for asphalt paving operations. A previous release indicated detours would occur May 6 and 7. In order to minimize the impact to drivers, the detours have been rescheduled to May 8 and 9.

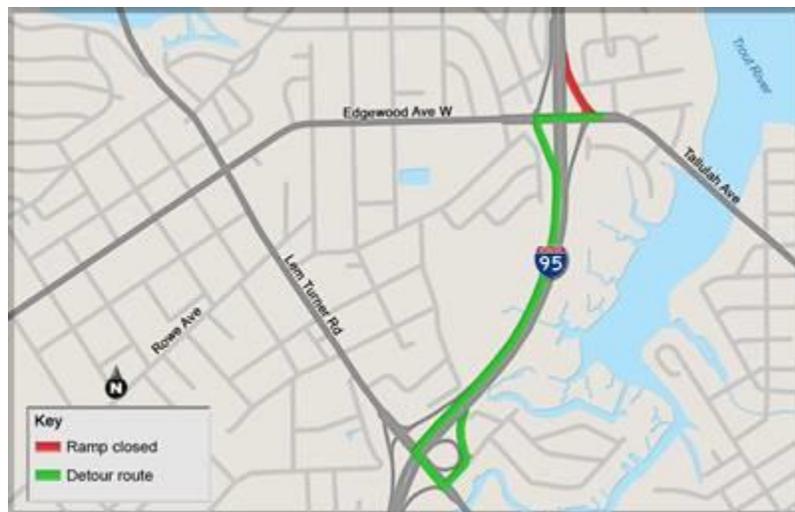

Detour A: May 8 from 7:30 p.m. to 6:30 a.m. motorists who wish to access I-95 south from Edgewood Avenue will take Edgewood Avenue west to Lem Turner Road, take a left on Lem Turner Road and continue to I-95. (See map below)

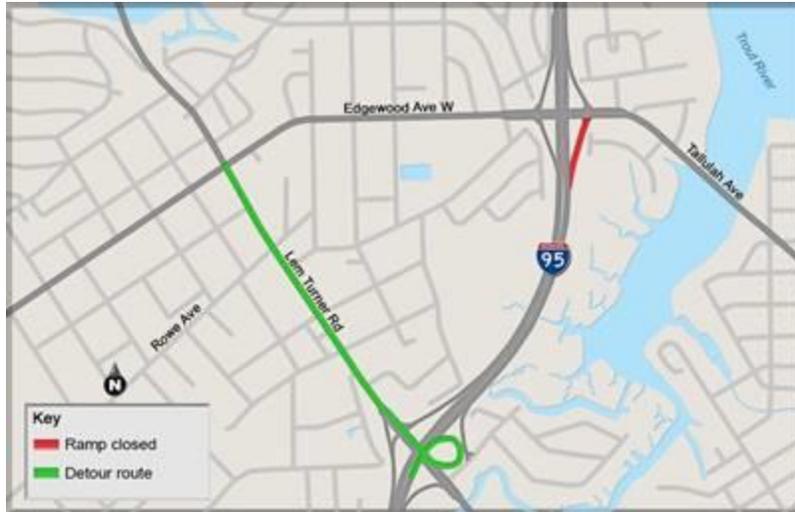

Detour B: May 8 from 7:30 p.m. to 6:30 a.m. motorists on southbound I-95 who wish to exit at Edgewood Avenue will continue south to the Lem Turner Road exit, take a right on Lem Turner Road and continue to Edgewood Avenue. (See map below)

Detour C: May 9 from 7:30 p.m. to 6:30 a.m. Motorists who wish to access I-95 north from Edgewood Avenue will take I-95 south to the Lem Turner Road exit, take a left on Lem Turner Road, take a left on Carrollton Road, then take a left at the I-95 north on-ramp. (See map below)

Detour D: May 9 from 7:30 p.m. to 6:30 a.m. motorists on northbound I-95 who wish to exit at Edgewood Avenue will take exit 356B, Lem Turner Road west, and continue on Lem Turner Road to Edgewood Avenue. (See map below)
